Parents and Members

Welcome to the Elkhart County 4-H Rabbit Club! There is so much to learn about rabbits and we want to make this the best learning experience possible. We want to encourage the entire family to get involved with the activities, fundraisers, workshops and meetings. You will soon learn that the time and effort that you put into your project and club will be rewarding and educational.

To start out, please take time to read the member handbook in its entirety. Our goal is to make sure you are up to date as possible with the club.

It is never too late to get involved with Rabbit Club. We are always in need of helpers throughout the year. Without the assistance of volunteers, we would not be able to be the amazing club that we are. Please do not hesitate to ask any questions that you may have throughout the year. Thank you in advance for your time and dedication to the Elkhart County 4-H Rabbit Club.

Objectives of the 4-H Rabbit Club

1. Develop leadership, initiative, self-reliance, sportsmanship skills along with many other valuable character traits.

4. Promote a love for animals and a humane attitude towards them.
5. Prepare for citizenship responsibilities by working together, supporting community projects and activities. Remember this is your club.

Auction Rules

On the LAST Friday of the fair, each member has the opportunity to auction their rabbit. Members are NOT required to auction, UNLESS you have the Grand Champion Meat Pen and Reserve Champion Meat Pen. If the 4-H'er decides to auction and a meat pen was exhibited during fair week, the exhibited meat pen MUST be auctioned. If the buyer chooses not to keep your rabbit you may buy it back at the club for \$5.00. If you did not exhibit a meat pen you may auction (1) one rabbit. This rabbit must have been exhibited at the fair. **A Special Class rabbit cannot be auctioned.** If you cannot be at the auction, you MUST make arrangements with another 4-H Rabbit Club member to take your rabbit to the auction ring. The club will not be responsible for finding your rabbit and getting to the auction ring.

If you decide to auction, the decision **MUST** be made by the 6pm **DEADLINE** after the 4-H Rabbit Show on Wednesday during the Fair week. There will be a \$3.00 transaction fee that will be collected prior to tattooing the rabbit auction. If the member owning the rabbit is unable to be at auction processing and still wants to auction, they can have someone bring the rabbit for tattooing/paperwork but they **MUST** send a letter with that person giving permission for this to happen (unless it's the parent or guardian of the member). Please discuss with a leader prior to this happening. A special tattoo will be placed in the rabbit(s) right ear. Once your rabbit has been auctioned it may no longer be shown at the local or State Fair level.

THERE will be NO EXCEPTIONS for missing the 6pm DEADLINE for auction. The chance for auction will be forfeited.

If the buyer chooses not to keep your rabbit you may buy it back at the club for \$5.00 after the auction is over and the paperwork has been received at the Rabbit barn from the Fair Office. Whoever buys the rabbit at auction must have a receipt to pick up the rabbit.

Parents/Guardians

During the judging process, we ask that everyone please use the provided seating area to watch the shows. ONLY 4-H members, Leaders, Advisory Board Members and show workers will be allowed in the roped off area. We need to keep the aisles free and clear so the 4-Hers can bring their rabbit(s) to and from the show tables. During the shows only the 4-H member may put the rabbit(s) on the show table. There will be older members available to help the younger members if they need help.

Rabbit Club Dues

The Elkhart County 4-H Club fee is \$20 for the 1st child and \$15 for each additional child. These fees will be due by the May meeting. The fees help cover the cost of running the club. This is in addition to the fees required by Purdue Extension. ALL 10-year members club dues will be waived!!

Mentor Program

We strongly encourage all 9-12th grade members to become a part of our mentoring program. We believe members learn from members. We want each member to connect with one another and know they can count on each other for help and direction with their project in Rabbit Club or any other project. We want the younger members to know if they need help at the fair during a show or contest, they will be able to reach out to a mentor, project leaders or leaders for help.

For the mentor program, we ask that you show up an half hour before the meeting, usually 6:30pm to meet with the leaders. We will explain the lesson for the month. We then will assign you a group to work with. You will also have an adult project leader to assist.

Junior Officer Positions

The club encourages the members to become involved with the club as much as possible. One way is to become a Junior Officer. Junior Officers are elected at the banquet every year. Nominations will not be taken from the floor. To be eligible for election you MUST turn in an application (available from the leaders) and fill out a questionnaire. These forms must also be signed by a parent or guardian. **Forms MUST be turned into a leader by 8pm the last Thursday of Fair.** Club officers are expected to be a positive role model for the club and its members. To work cooperatively with other officers, members, leaders and the extension office. Promote a positive atmosphere at meetings, 4-H functions and in the community. Help at workshops and participate at club meetings. We ask that you attend at least 5 of the 7 club meetings in order to hold your position. The position can be removed at any time if you cannot fulfill your obligation. The following are junior officer positions available: President, Vice President, Secretary, Treasurer, Reporter, Devotions, Photographer, (3) Jr. Advisory Board

Advisory Board

The purpose of the Advisory Board is to serve as a governing body that will assist the leaders of the 4-H Rabbit Club Program. It is the responsibility of the board to uphold and demonstrate the 4-H values. The Advisory Board is made up of 15 people, (3) Jr. Advisory Board, 9 elected voting members, 2 Organizational Leaders, and Assistant Leader. The 9 elected members serve for a 3-year term. The Advisory Board is elected at the banquet by the parents/guardians of the member. The board meets on the 1st Monday of every month all year long. If you are interested in becoming an Advisory Board member please see the current year's Advisory Board President for information. Names need to be turned into the Elkhart County Purdue Extension office by June. There will be an interview with the Extension Educator and a background check will be performed.

ARBA

American Rabbit Breeders Association, Inc. is the world's leading domestic rabbit breeder's organization. The Standard of Perfection is a published guide. It represents the standards of all 50 breeds, from the breed description, fur, color, classes, weight limits markings and conditions and disqualifications. This publication is subject to revision every 5 years. We highly encourage you to visit their website ARBA.net You can also download their app to any electronic device. It is the members responsibility to know their breed standards.

Meat Pen

A meat pen shall consist of three rabbits, all of the same breed and variety. Broken group meat pens must also be of the same variety. A Meat pen does not necessarily have to come from the same litter. Age limit is 10 weeks. 6 Class: Minimum weight 3 ½ pounds each. Maximum weight 5 ½ pounds each. A meat pen CANNOT be purchased since only two (2) purchased rabbits can be shown. If you want to enter one of your rabbits from your meat pen as a pre-junior class you MUST decide at check-in which one you will enter for the 4-H show.

Special Class Rabbit

A Special class rabbit is of last resort. You will not be able to have a special class rabbit if you have other rabbits to exhibit.

Definition of Special Class

Non recognized ARBA breed, mixed breed, or fixed (altered) rabbit. A special class rabbit is NOT eligible for auction. If a member has to show a special class rabbit, the member is ONLY eligible for a participation ribbon. No placement ribbons will be given.

Petting Pen

We will have a petting pen set up at the front of the barn during Fair week that the public is welcome to come in and “touch” the rabbits. Rabbits that are on display at the Fair for your exhibit are not allowed to be in the petting pen. Petting pen rabbits must be brought from home, have a health check at the back of the barn by an advisory board member before they are allowed into the barn. They will not be permitted to stay on the Fairgrounds during the night and must be taken home each day. The petting pen will need members to work at least a 2hr shift. There will be a sign-up sheet at the June and July meetings.

Bunny Hut

The Elkhart County 4-H Rabbit Club has a concession stand open for food sales during the Fair. This is the biggest fundraiser for the club. The Bunny Hut is located near the main entrance of the Fairgrounds. It is staffed by Rabbit club volunteers, members and their families. Rabbit meat is used in various items in the hut. The rabbit meat is obtained first from members and then outside sources if the members cannot fulfill the need. Processing dates will be announced throughout the year. Donations of various food items from club members will help keep the cost down. Sign-up sheets for food donations will be available as we get closer to the fair at the club meetings. Also, at that time will be an opportunity to sign up for the **required 2 hr work shift**. We need to have 4 members and 2 adults working at each shift to keep the Bunny Hut running smoothly. If you sign up for a shift and are unable to work it **YOU** are responsible to find someone to cover for you, and then make your shift up at a different time.

Barn Supervision

Each member and parent are **required to work a 2 hr barn shift**. The more supervision we have during the Fair in the barn the safer your animals will be. During the barn supervision you will be responsible for walking the aisles asking the public nicely not to pet, touch, or poke the rabbits. Sweep the walkways and turn over any bedding as needed. If any issues arise please see an Organizational Leader and Board Member.

Parents are always needed to spend the night in the barn. We will provide you a cot to sleep on. And a treat from the Bunny Hut in the morning. Hours are from 10pm-8am

THE MARVIN J. YODER 4-H RABBIT CLUB SCHOLARSHIP

The Marvin J. Yoder Scholarship has been created to say "WELL DONE" to our senior members in the Elkhart Co. Rabbit club. These members have worked hard and participated in the growth and function of the club. We would like to be a partner with them and show our support as they pursue their post High School education. Marvin J. Yoder was a long time resident of Elkhart Co. His contributions to the community were many. As a member of the Elkhart County 4-H Rabbit Club Advisory Bd., Marvin served as Fair Board Representative. Marvin had a love for learning and competition. Out of that love, came a desire to support the youth in Rabbit club through generous gifts of time and money. Each year at the 4-H auction, young people could count on Marvin's bid. On more than one occasion, he purchased prize-winning animals to reward the hard work that a 4-H'er had put forth. On August 18, 1995 Marvin J. Yoder died after a hard fought battle with cancer. Although he will no longer be there to bid on 4-H livestock, his competitive spirit and love for learning can live on through this scholarship.
