

Friday 4-H Nugget

Greetings 4-H Community,

We hope everyone enjoyed the fresh snow fall! A reminder that winter is still here and that the groundhog's predication was correct about winter. This winter has been as been full of activities from club meetings, Snowy Stem fun and planning.

Winter is also a great time to enjoy the outdoors or if you don't like the cold as much, it is a great time to get started on those 4-H projects. Be sure to explore our website and take a peak at the over 70 different subjects you can learn about in 4-H! Share your experience with a friend or two and have them sign up.

Be sure to look at the articles below and check out some of the upcoming events. If you have any questions reach out to our office staff.

All the best,

Robby Kelly, Sthele Greybar, & Anna Balas
