

Friday 4-H Nugget

Greetings 4-H Community,

March is well under way now! It is time to be thinking about springtime and sunshine. We have noticed many 4-H members out selling flowers for our county-wide fundraiser. Be sure to help us out - this fundraiser assists the clubs and 4-H Corporation in paying for judges, trips and project books.

As you know we are in the middle of planning all of our summertime events. We are moving forward with those following safety protocols and guidelines. Be sure to check out those opportunities. If you know someone who has not signed up for 4-H yet, bring them to an event and encourage them to sign up!

All the best,

Robby Kelly, Sthele Greybar, & Anna Balas

Teen Leadership 2.0

“Our nation values leadership, but we do not teach it well.” (Baskin, 2012). Parents, teachers, colleges, and employers place a large emphasis on developing leadership skills, however, employers report graduates as being more deficient in desired workplace skills.

Looking for some new ideas to teach older 4-H’ers leadership skills? We would like to share an excellent resource from our friends and colleagues at The Ohio State University!

Organizational Leaders be sure to complete your 4-H Club's 990 Postcard by **May 15, 2021**. It is important that we complete this each year. Instructions were emailed the week of February 5. Be sure to send our office a copy of your filing.
