

April 20, 2021

Dear 4-H Horse & Pony Members,

All 4-H Horse & Pony enrollments must be completed online at <https://v2.4honline.com> by **May 15** in order for you to exhibit at the Hancock County Fair and/or the Indiana State Fair. Please refer to the enclosed instruction sheet on how to enroll your horses online in the 4-H data system. Step-by-step online instructions, horse vaccination form, and a lease agreement (if needed) are posted at <https://extension.purdue.edu/Hancock/pages/article.aspx?intItemID=24885>. Animals may be co-enrolled within the same family (siblings and step-siblings). Please read the ownership rules carefully in the 4-H Handbook. The online enrollment must be completed by 11:59 pm on **May 15** or you will be unable to exhibit.

4-H members must upload a minimum of 1 color photo of each animal with a maximum of 4 photos. The color photo, singly or together, **must show the animal's face and all four legs and be of sufficient quality**. 4-H Members that lease animals for exhibition are required to provide the name of the leaser and their contact information at the time of animal enrollment for each leased animal. Please have the pictures and lease information ready when enrolling online. Copies of lease forms need to be on file in the Hancock County Extension Office by May 15.

The 4-H member should hand-carry the completed vaccination form (4-H-1031-W) to all 4-H Horse and Pony Events. Failure to meet guidelines on this form, an incomplete form, or outdated vaccinations will result in ineligibility from Indiana 4-H Horse and Pony Events.

Failure to enroll online by May 15 will make you ineligible to exhibit in 2021. All 4-Hers should print out and bring a copy of the email you receive from the enrollment website confirming enrollment to check in at the Indiana State Fair. If you run into any issues, please let our office know so that we can assist you. Our office is open Monday through Friday, 8:00 a.m. until 4:00 p.m. Any questions, please call our office.

Completing 4-H Animal ID online is not the equivalent of entering 4-H Animal Shows at the Indiana State Fair. **A separate online entry is required for Indiana State Fair exhibition. The state fair entry process along with information regarding deadlines, policies, and procedures is available at <http://www.indianastatefair.com/state-fair/competitionscontests/4-h-competitions/>**

Sincerely,

Amber Barks
Extension Educator, 4-H Youth Development
