

STATE FAIR 4-H SWINE EXHIBITION

This information is only for 4-H Swine Members who plan to exhibit 4-H swine at the state fair.

DNA Hair Sample Collections

- 4-H'ers who plan to enter swine at the Indiana State Fair 4-H Swine Show must collect DNA hair samples on each pig they plan to enter and turn them into the Extension Office by May 15.
- See attached "Swine DNA Hair Sample Collection Instructions" sheet for more information. The "how-to" video is very helpful.
- Collection envelopes are available in the Extension Office.
- The collection envelopes must be hand carried to the Extension Office and are due by May 15.

RFID Tags

- When you pick up your DNA hair sample collection envelopes, you will receive your RFID tags. You will receive 4 tags per 4-H'er at no charge. If you plan to enter more than 4 pigs for the state fair, then you can purchase additional tags at \$3.00 per tag.

A reminder...Indiana State Fair 4-H swine entries must be completed by June 1, 2021. 4-H Swine Members may enter online at: www.indianastatefair.com.
