Please accurately list the total number of animals that you plan to bring to the Clinton County Fair. NOTE: **If this form is not returned by Friday, June 25, 2021, we cannot guarantee there will be space or awards for your animals.** It is important that you be realistic and honest when you complete this form.

You will receive one card per animal at specie check-in when you arrive at the Fairgrounds on your designated check-in date. You will then submit the cards at specie weigh-in. This will give us more timely and accurate information and will be more cost effective.

Sheep: Penning will be determined based on the **total number** of animals. Pens will be filled to capacity whenever possible so it's important to name other exhibitors with whom you feel comfortable penning your sheep.
