

There's No Such Thing as a Comfortable Bra

Sunday, July 11 - 3:00 p.m.
Green Building, Newton County Fair

Sara Jane (Sally) Coffman, humor writer, actress, and storyteller, is coming to make us laugh!

She'll share some of her most embarrassing moments, like the time she thought she was having a heart attack when it was just that her bra was too tight.

A reviewer for NPR described Sally's light-hearted humor as a cross between Dick Van Dyke and Mary Tyler Moore. If you need a laugh, join us at this fun, funny, and delightful program!
