Dear 4-H Junior Leader,

As Superintendent of a project(s), you play a very important role. You were selected for your leadership abilities and your responsibility. Enclosed is a list of Check-In & Judging Responsibilities for the Fair. Please read carefully and let your Junior Leader Assistants know about these responsibilities when you arrive at check-in. You will also have an Adult Advisor to help guide you. Included with this paper are the Junior Leader project assignments.

If you have any questions, please let me know. I know you will all do a great job!

Sincerely,

Julia K. Miller,
Extension Educator,
CED/4-H Youth Development
