What part of your trip did you find most enjoyable?

Was there any part of your trip that you would NOT recommend to a friend?

If you were to take this trip again, would you change your packing list in any way? Did you take too many items? Did you forget anything you needed?

How did your actual expenses compare to your budget? Did you spend more, less or about what you expected to spend?

If you needed to repeat this trip with a smaller budget, how might you save money?
