

Captain Ca\$h Says...

***“The more you learn,
the more you earn.”***

In the Earning lesson, students will learn where and how we get money.

***“Every payday, save
some cash away.”***

In the Saving lesson, students will learn where and how to save money.

***“There is an end to
what you can spend.”***

In the Spending lesson, students will learn the difference between *wants* and *needs*. Students will understand the importance of planning and tracking their spending.

***“For a happy tomorrow,
be wise when you borrow.”***

In the Borrowing lesson, students will learn that borrowing money is like borrowing a book from the library. You have to return the money and the book.

The Captain Ca\$h curriculum will:

- Promote an understanding of financial literacy.
- Encourage students to save by showing them how.
- Guide students to spend less than they earn.
- Help students gain an understanding of what borrowing money means.

Captain Ca\$h's voyage includes...

- A secret message in a bottle.
- Interactive student activities.
- Money concepts for students to use now and in the future.
- Visits to the four islands: Earning, Saving, Spending, & Borrowing.

Come along with Captain Ca\$h and unlock the secret of becoming the captain of your own future!

The Captain's money voyage will take your third graders on an adventure to the islands of Earning, Saving, Spending, & Borrowing.

Captain Ca\$h says...

Research shows that kids think their parents stress over finances. This program brings an understanding and a feeling of control as elementary school students learn how to manage money now and in the future.

Captain Ca\$h...

- Is designed to guide students as they learn about real-life money management.
- Consists of four 45- to 60-minute personal finance lessons
- Meets the Indiana Academic Standards for math and social studies.
