## Recycling Project

---

Recycling, or scrap craft, is taking something that has been used that would normally be discarded and recycle it into something decorative or useful.

Examples: tin can furniture, corn shuck dolls, baler twine wreaths, etc.

### **Requirements:**

1. This project is divided by grade category only:  
Grades 3-4  
Grades 5-7  
Grades 8 & above
2. Exhibits must be one technique in a single article or matched sets.
3. They must be made from used articles made to serve a different purpose than the original article.

### **Exhibit:**

Exhibit one article or set of articles that you have made, include a card explaining what the original was and what the recycled article will be used for now.

Items will be judged according to neatness, originality, usefulness and general appearance.
