## 4-H Shooting Sports

This project will focus on Archery and is for 3rd grade through 12th.

Unfortunately we will not be doing the Hunter Education portion, since we do not currently have someone certified in that. The inclusion of that in our email was a mistake on my part.

The most important date is Thursday April 14th which is the Mandatory safety meeting from 6:45 to 8 p.m. at our office Classroom, Discovery Hall on the Indiana State Fairgrounds.

Attendance is **MANDATORY** for Parent/Guardian and Member with forms to fill out and a \$10 club fee that helps cover materials.

Range dates: April 16, 23, 30, and May 7, 14, 21.

Range times: 9-11 am Saturdays

Location: St Joseph Catholic Church, located on the west side near I 465 and Washington St.
