

# 4-H Promotion Poster

The Marion County 4-H Promotion Poster Project is designed with flexibility in mind and with one goal: to promote 4-H.

**Cloverbud** (Mini 4-H grades K-2) Cloverbud posters are 22”X14”

**Level 1** (grades 3-5)

**Level 2** (grades 6-8)

**Level 3** (grades 9-12)

**Exhibit Options:**

For all levels. Exhibit a poster representing your promotion of 4-H. You may utilize non-copy written artwork, stencils, personal artwork and or photographs. The entire poster exhibit should be representative of promoting 4-H as fun and educational. If desired, include a promotion slogan or caption(s) for emphasis.

**Exhibit Requirements for Posters:**

Poster projects must be 22” x 28” mounted HORIZONTALLY (only) with a firm backing, and must be covered with clear plastic or other transparent material (not cellophane wrap) to protect the exhibit. The title should be placed according to project exhibit requirements or use your creativity when requirements are not specified. Be creative in your color selections unless the project description requires white poster board. (Read project requirements completely.)

Backing: A stiff backing is required; any material that will support the poster so it will not bend. Examples: Very stiff cardboard, foam core, plywood, or Masonite 1/8” thick. CAUTION! Pre-cut commercial foam cord that is not 22” x 28” and is not acceptable for fair displays. The Extension Office offers poster board and coverings for sale. Mounting Adhesive: Rubber cement is the best form of adhesive; it does not leave marks and will not wrinkle paper. White glue should be used only in cases where wrinkling or damage will not occur. Double stick tape is best for mounting leaves. Exhibit Tag: The exhibit tag is affixed in the lower right-hand corner of the poster and displayed where applicable. It is approximately 2”x 4”.

It is required that all posters, notebooks, and display boards include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member’s exhibit. This reference list should/might include website links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.
