### About Remote Control 4-H SPARK Club:

This is a 4-H Spark Club. A 4-H Spark Club is an introductory club that will hopefully spark interest in something not already offered in the Elkhart County 4-H program and attract new 4-H members. In Remote Control, a 4-H'er will be running the Club, not an adult volunteer. However, an adult volunteer will be present at all meetings. Parents are encouraged to stay as well.

Remote Control 4-H Club is a chance for kids to not only run their vehicles in a safe environment but be part of the RC community. Members will also have a chance to learn the mechanics and parts of RC vehicles. There are many levels of quality with Remote Controls and this club will help the novice begin to learn enough to enjoy the activity while running and modifying or repairing their vehicles. Remote controls allowed in club: Crawlers, Drifters, Multi-Rotors, Racers, and Scalers.

If you are interested in Remote Control and do not yet own a Remote Control, see info below. There is a local shop where you can acquire your Remote Control needs:

Maple City Hobbies, 125 S Main St, Goshen, IN 46526 (574) 534-9661
