I have reviewed this record and believe it to be correct:

Signature of Leader _____ Date _____

Tell about what activities you did to complete your project. List any articles you made.

Tell about what you learned while you were working on this project.

Describe one of the following, below:

- A fishing trip - include who you went with, where you went, what the weather was like, the type(s) of fish caught, bait and tackle used, were the fish cleaned or released, etc.
- Something that you made related to this project - include why you made it, how much the materials cost (or where you got time if they were free), how you made the item, and how you have used (or will use) it. Include a sketch or picture, if possible.
- Your exhibit - include what topic you chose and why you chose this topic, how you got your information, and a description of how you presented it. Include a sketch or picture, if possible.

Sketch or picture:
