Mini 4-H Parent's Page

Welcome to Mini 4-H! Mini 4-H is designed for boys and girls who are in Kindergarten, 1st Grade, or 2nd Grade during the current 4-H year. This year we have designed Mini 4-H to introduce 4-H to our young members.

As a parent, your job is to guide your child through the activities. It is suggested that you help them, guide them, work with them, and let them do all that they can rather than complete the project for them. Learning by doing is one of the best educational tools we can provide to our youth.

Mini 4-H is also set up to allow your child to exhibit a project at the 4-H Fair. The project will be based on the information in this manual. Mini 4-H is noncompetitive and all participants will receive a ribbon for participation. This year as part of the check in process, our Boone County 4-H Junior Leaders will be there and will act as "judges.." They will ask your child a couple of questions about their project and provide positive feedback. This process will help introduce the judging process that happens in 4-H. The 4-H Fair is an exciting time for 4-H members and their families. It is a week that allows community youth to showcase their talents, interests, and enthusiasm for learning.

Mini 4-H is fun! Your child will certainly have fun. You can have fun too, by guiding and helping as your child participates in the program. Encourage and praise your child as he/she has fun learning and sharing with you.
