

Consumer Clothing

Project/Notebook Requirements

Beginner: You may stay in this project division for three years, **grades 3rd-5th**. Each year you will add a section to your notebook, based on the garments you have purchased and the activities you have completed. You will receive record sheets each year, but you will use the same manual all three years that you are in the beginners division.

Exhibit Requirements

- Complete a notebook. (40%)
- Purchase 1 or 2 garments. (30%)
- Model garments in the “Consumer Clothing Fashion Revue.” (30%)

Notebook

Decorate a three ring binder any way you would like. The notebook will be judged based on the following:

- Title page
Include your name, address, and age
Project name and division (Beginner)
- Consumer Clothing Purchase Record page.
- Information Gathered Sheet – use one sheet for each of the garments purchased.
- Photograph – one picture of you wearing your outfit.
- Complete one activity from each group in the Beginners Consumer Clothing manual. Describe what you did for each activity, and the results or findings. Write about each on a separate page, label by group number and letter, as they are in the manual. For example, Activity Group 1-A. Each year you will select other activities from each group.
- Complete the Consumer Clothing Summary form and include it in your notebook. Answer each of the questions completely so that the judge will understand why you made the purchases you did, and what you learned in the project.

Please leave these pages in your notebook. Next year you will add pages and build a record of your accomplishments in this project. Please put the most recent year completed in the front of the notebook.

 *The Consumer Clothing Record Sheet (4-H 751) goes in your green Record Book and must be signed by your 4-H Leader.*
