Check around your house for items that are about to be discarded. They might include, but not be limited to:

Newspapers

Magazines

Egg Cartons

Aluminum Foil

Cardboard

Fabrics

Old Clothing

Buttons

Foam Meat Trays

Plastic Bottles

String

Coffee Cans

Grocery Sacks

Ask yourself, “What can I make out of this?” Be creative and the world will be a better place. This project is designed to make you more aware of how things we throw away daily could be turned into useful or decorative items for your personal use.
