

# PROJECT WILD, AQUATIC WILD & PROJECT WET

## Monday, February 27th 8:00 am - 5:00 p.m.

### Bradford Woods 5040 St Rd 67 N Martinsville, IN 46151

Morgan County Soil and Water Conservation District has partnered with Bradford Woods and Indiana American Water to provide a 3 in 1 environmental education workshop to include Project Wild, Aquatic Wild and Project WET. All three programs are nationally recognized environmental education programs that have reached millions of educators!!

This workshop will provide an in-depth look at aquatic and wildlife concepts and the role each of us play in conserving and protecting our precious natural resources. Workshop will have an interdisciplinary approach involving discussion and activities.

**PROJECT WILD** program is one of the most widely used conservation and environmental education programs among educators of students K– high school. It is based on the premise that young people and educators have a vital interest in learning about our natural world.

**AQUATIC WILD** has a similar format but focuses on basic aquatic wildlife ecology concepts and wildlife stewardship.

**PROJECT WET** program facilitates and promotes the awareness, appreciation, knowledge and stewardship of water resources through the development and dissemination of classroom-ready teaching aides.

The workshop is open to classroom teachers, informal educators, home-school parents, community volunteers, Scout and youth leaders or anyone who wishes to foster to the youth responsible action towards wildlife and natural resources. After completing the training, participants will receive **Project Wild Activity Guide, Aquatic Wild Activity Guide and Project WET Activity Guide**. CEU's available through local universities/colleges upon completion of additional work.

**Workshop Fee** Thanks to our workshop sponsor, **Indiana American Water** the \$30.00 workshop fee has paid for the first 20 registered participants!! All three Curriculum and Activity Guides as well as **LUNCH** will be provided at no cost to the first 20 preregistered participants! **Hooray for Indiana American Water!!!**
