

>>>>>>>Mini 4-H Project List Continued>>>>>>>

Models - Models are a great way to build things. Learn about models and different ways of making models. Exhibit a model you made.

Plants & Flowers - Learn about plants and their special needs. Do some neat experiments with plants. Exhibit flowers, a house plant, poster or scrapbook of flowers.

Reading - Reading can take your imagination to great places. Learn about parts of a book and different types of books. Exhibit a short book report, design a book cover or make a map of a library.

Sewing - Begin to put together items needed for easy sewing and repair work. A sewing machine is NOT needed. Exhibit your sewing kits, or other sewing ideas.

Sun, Stars & Space - Learn more about the planets in our solar system, the sun, constellations, and exploring space. Exhibit a planet mobile, a model of a planet or a comet.

Whales & Dolphins - Whales and dolphins are fun to learn about. Explore popular types of whales and dolphins, the parts of a whale, whale songs and dolphins. Exhibit a scrapbook, model or poster about your favorite whales and dolphins.

Wildlife Adventure - The world of wildlife beckons you! Learn about wild animals and birds that live around you. Exhibit a bird poster, bird feeder, insects and more.

Mini 4-H is . . .

▶ *an educational program for boys and girls to have fun learning new skills, activities and participate in workshops/meetings*

It's Free!
