

2019 Required Animal ID by Species The next table lists the different individual types of animals and their respective form of identification that is required in which to be eligible for 4-H animal shows at the Indiana State Fair. ***Bold-italic*** denotes something new for 2019. It is these ID types that are required to be in Indiana 4HOnline by the respective deadline. Any of these IDs that are missing, incomplete or incorrect could result in state fair ineligibility.

- a. DNA hair samples are only required for State Fair Exhibits
