

Grow Your Farm Operation: For You, Your Family and the Future

This Purdue Extension farm management and grain production series is designed to help current or future farm managers to develop skills to position their farm for future financial success.

This series will cover:

- The future for grain production
- Farm financial management
- Visit to Purdue University to see the latest in crop production research
- Corn and soybean production for profit and yield
- Precision agriculture today and tomorrow

Dates: Ten workshop sessions on Tuesdays from 6:00 to 9:00 pm EST from January 16, 2018 to March 20, 2018; all day field trip on Feb. 6.

Location: Purdue Extension-Marshall County, 304 Marshall County Building, 112 W. Jefferson St., Plymouth, IN 46563.

Cost: \$200/person. Additional attendees from the same farm are \$100/person. Includes session materials, refreshments and transportation and meal during trip to West Lafayette.

Registration Deadline: January 9, 2018

Contact: Robert Yoder, Extension Educator ANR, Marshall County, ryoder@purdue.edu, (574) 935-8545
