

Why Belong to an Extension Homemakers Club?

Education Advantages: Education is a character builder. It is a life-long process that is never finished. Homemaker club members keep up-to-date in these rapidly changing times through lessons on all phases of homemaking, family living and special interest that are presented by speakers, educators and club members.

Leadership: The Homemaker club provides good training for leadership as one becomes a club officer, project leader and by sharing lessons. This helps each member become a leader in the community also. Today's leaders help build tomorrow.

Citizenship: A member becomes a better citizen by living up to the principles of the Homemaker club creed, by taking part in club projects and by volunteering in community activities.

Social and Fellowship Advantages: The Homemaker club offers social and fellowship opportunities with members. It gives a feeling of belonging, a feeling that a person is a part of the community and a feeling of being useful and needed. It gives a member a sense of safety, security, and status.

You can get some of these advantages in some clubs.

You can get some of them without belonging to a club.

But you cannot get ALL of the advantages without belonging to an Extension Homemakers Club.

The Indiana Extension Homemakers Association is an affiliate of the Purdue University Cooperative Extension Service.

The programs are research based information provided by Purdue University.

Mission Statement

To strengthen families, through continuing education, leadership development, and volunteer community support

The IEHA logo depicts the Extension Homemakers organization with a unique combination of symbolism:

The three figures depict the endless combination of family members, representing male and female, adult and child.

The letters, IEHA, form an important portion of the home by providing support.

The roof of the home extends beyond the perimeter of the design, indicating that the influence of IEHA extends beyond the home and the family to the surrounding community.
