Why belong to an Extension Homemakers Club?

Education Advantages - Education is a character builder. It is a lifelong process that is never finished. Extension Homemaker Club members keep up-to-date in these rapidly changing times through lessons on all phases of homemaking, family living and special interests that are presented by speakers, extension educators and club members.

Leadership - The Extension Homemaker Club provides training for leadership with opportunities to serve as a club officer or project leader and by sharing lessons. This helps each member become a leader in the community. Today's leaders help build tomorrow.

Citizenship - A member becomes a better citizen by living up to the principles of the Extension Homemaker Club Creed, by taking part in club projects and by volunteering in community activities.

Social and Fellowship Advantages - The Extension Homemaker Club offers social and fellowship opportunities for members. It gives a sense of belonging, a feeling that a person is a part of the community and a purpose of being useful and needed. It gives a member a sense of safety, security and status.
