- Officers of the Goat Club must be 7th grade or older.
- The 4-H Goat Club Advisory Board, Adult Leaders, and the 4-H Corporation will rule on special problems arising at the 4-H Fair. Their decision will be final.
- Essays are to be turned in to your Goat Club leaders by June 1, 2020.

Animal Information:

- 4-H'ers may enter as many animals as they own or lease but may only show two per class. 4-H animals exhibited in open shows after the enrollment deadline of May 15, 2020, under a different name than the person listed on the Indiana 4-H enrollment form, shall not be eligible to be shown in the 4-H show at the Elkhart County 4-H Fair or the 4-H show at the Indiana State Fair. This term/condition does not apply to siblings, who may show each other's animals at any show during the year without jeopardizing State Fair eligibility, regardless of whether the sibling is a 4-H member or not.
- Each 4-H member must complete online enrollment of all goats they are planning on exhibiting by the May 15, 2020 deadline. NO EXCEPTIONS.
- All goats must have permanent ID and come to the fair with a collar.
- All goats brought to the fair must be shown in a class except nursing kids less than one month. Only nursing buckling, no bucks.
- An Animal Quality Assurance program has been implemented by the state and all 4-H Goat Club members must complete this training course by May 15, 2020 or they will not be able to show at county or state levels.
- All goats brought from another state for the 4-H show must have health papers certified by a licensed veterinarian. NO EXCEPTIONS!

4-Her Born and Raised Classification:

- The goat must be born to a doe that the 4-Her owns and be raised by the 4-Her at the farm where they reside.
- We are trusting the 4-Her and the family to give us truthful information regarding the "4-Her Born and Raised" status.
- Market goats with this status will be tagged with a different color tag at tagging/weigh-in days.
- Breeding stock that is born and raised must be noted at goat check-in in order to be eligible for this status. This must be done by noon on the first Saturday of the fair.

Fair Check-In:

- Goats are to be brought to the fair on Friday, July 24, 2020 between the hours of 8 a.m. and 4p.m. Goats must be checked by an official before entering the barn and all market goats weighed before penning. Any health issues will be taken before the fairground's veterinarian before the animal may enter the barn. Results of the Veterinarian's findings are final. (Prior arrangements for check-in other than the announced time frame must be cleared with one of the Goat Club leaders.)
- Once entered, no animal will be allowed off the fairgrounds without advisory board approval. Animals will be released Thursday evening after Round Robin and Friday up to 9:00 a.m., but no sooner than one hour after the sale. Breeding stock animals may be taken home after the Monday show with approval of the leaders. Exceptions to this early Monday release are those animals that won Grand Champion or Reserve Champion in the 4-H Show. Those entered in the open show will remain in the barn until the completion of that show on Saturday. Special requests to leave outside the above instructions must be addressed to the Advisory Board.
- Pen fees of \$3 per goat, brought to the fair, will be collected when checking in goats the first Friday of the fair. Those that have not paid their fees, including dues, will not be allowed to show or go through the auction. These pen fees are being implemented to create a fund for additional pens that will need to be made in the future.
- All goats including market animals and breeding stock must be checked in by 12 noon on Saturday, July 25, 2020. This must be done in the goat barn office. Please make sure to go online before July 1st to enroll you goats in the proper classes so that check-in can be expedited.

Fair Goat Care:

- Members are required to keep their goat's pen clean including the area surrounding the pen.
- Animals must be fed twice a day during the fair.
- Members must supply their own grain and hay.
- Water must be changed often.
- **PENS MUST BE CLEANED AT LEAST EVERY OTHER DAY.** Pens will be evaluated daily for cleanliness, water, and feeding. Members will be contacted if issues arise regarding their goat's care.

Showing:

- Members are expected to do their own showing with help as needed. In case of illness or injury, another eligible Elkhart County 4-H Goat Club member may show the animal with the permission of the advisory board. If members have more than one goat in a class another eligible Elkhart County 4-H Goat Club member is allowed to show the second animal.
- Attire for showing breeding stock dairy goats should be a white shirt with white pants, black pants, nice dark jeans, or a skirt of one of the corresponding colors. Please wear appropriate under garments, a belt, and close toed shoes. No shorts or sandals are allowed.
- All 4-H'ers showing market goats, pygmy goats, and fiber goats should wear the club t-Shirt and nice jeans with a belt and close toed shoes. Shorts and sandals are not allowed. A nice dress shirt can replace the club T-Shirt during showmanship.

- Pygmy, meat breeding stock, and angora goats may have horns in accordance with their national association rules. Market animals may have horns at the 4-H'er's preference.

Scholarships

The 4-H Goat Club offers three \$250 scholarships a year to 4-H Goat Club members that submit an application and essay. The applications are available from your Advisory Board Treasurers. The essay should be about your experiences with goats, 4-H, what you have learned in the club, and your future plans. Any additional information you would like to include is welcome. The applications and essays are due at the May meeting (no exceptions). The advisory board will review the applications and essays and will chose the three 4-Her's that they feel are most deserving of the scholarships.
