Farmer's Care donations may be brought to the Extension Office prior to the fair to receive free State Fair tickets. During the fair, donations can be brought to the Extension Office on the Fairgrounds. (\$5 in canned goods = 2 tickets).

KeDaira King is our 2018 Extension Homemakers scholarship winner. She was a member of the National Honor Society at North High School and enrolled in the Early College High School program. Her dual credit classes earned her an Associate of Science in General Studies as well as a Technical Certificate in Business Administration. In addition to a busy school schedule, KeDaira is a shift leader at Donut Bank Bakery. In August, she will begin her studies at Ball State University in Interior Design. Her future goals include gaining experience working for others before she hopes to open her own interior design business. Her goal for a business minor should help her achieve her dreams.

Four clubs applied for the Volunteer Enhancement Grant. Two clubs were chosen to receive a grant. Forever Gingham has supported a patient at the State Hospital for about 10 years at Christmas and birthdays. They hope to buy additional supplies for other patients and asked for an amount the club will match.

Willing Workers is a first time grant winner. They hope to buy shoes and/or coats for Hangers. Club members currently support the EVSC clothing bank with volunteer hours.

~ Barbara Brown

Thought of the Month...

Until you decide that NOTHING will stop you from success, EVERYTHING will.

Summer Time, Fair Time

County Fair Volunteers are NEEDED

Yes the Fair is fast approaching and the Homemakers can use a lot of help in the Auditorium!

On Thursday July 19th we will be setting up the auditorium for the Fair starting at 8 a.m., but you can come at anytime. We could definitely use some strong young boys and girls to help put up and move around all the tables and to help unload the trailer, so bring those kids and grandkids along! Nancy will provide meat and drinks for lunch so please bring a salad or dessert to enjoy.

Sunday we will be entering exhibits from 1-4 p.m. We will then have a light supper provided by Nancy again (so bring a side dish). Helping with judging, placement of ribbons and starting to set-up displays will follow. If you can help enter exhibits, be a runner, and/or would like to help with the judges please call me, text me or email me. Please come early to help set-up and to enter your own exhibits before the public arrives. Workers may enter exhibits starting at 12 noon.

Monday is a HECTIC day. Come at 8 a.m. to help set up the exhibits before the Fair opens. We have a lot to do before the doors open to the public at 3 p.m.

Saturday July 28th we begin taking down all the exhibits when the doors close at 9 p.m. Bring those husbands, kids and grandkids to help take down all the tables etc.

Sunday is when EVERYTHING goes out the doors and we get to sweep the floors! If you can help you may pick up your exhibits starting at 10:30 but public release times are 11 am - 1 p.m.

We cannot do this without a lot of volunteers so please pick a day or all 5 days and come and support the Best County Fair in the State!

Summer Food Safety

Many of us during the summer season head outdoors to enjoy picnics at the park or backyard barbeques. Along with the hamburgers and potato salad, don't forget food safety. The Centers for Disease Control estimates 76 million people each year get sick by eating contaminated food. Foods contaminated by harmful bacteria and viruses can cause a foodborne illness (food poisoning) and older adults and children are considered most susceptible. Foodborne illness can occur within 24 hours of eating contaminated food, or even days or weeks later. Common symptoms of foodborne illness include: diarrhea, nausea, vomiting, abdominal pain and fever. Food can become contaminated when we transport, store, prepare or serve it. It is important to use food safety techniques during every stage that we have contact with food.

- ◇ Always wash your hands before and after handling food. Scrub your hands for at least 20 seconds in warm, soapy water to effectively remove germs and dirt.
- ◇ Marinate food in the refrigerator and don't reuse the marinade on cooked food.
- ◇ Use a food thermometer to ensure that food reaches a safe internal temperature: hamburgers should be cooked to 160°F, steaks to 145°F, chicken breast 165°F and fish should be cooked to 145°F.
- ◇ Do not place cooked food on a plate that previously held raw meat, poultry, seafood or eggs and have plenty of clean utensils, plates and cookware on hand.
- ◇ Never let perishables (raw meat, poultry, eggs, cooked food, cut fresh fruits or vegetables) sit at room temperature for more than two hours before storing them in the refrigerator or freezer. When the temperature is above 90°F store within one hour.
- ◇ Always use a clean cooler filled with ice or an ice pack to keep food cold. A full cooler will maintain cold temperatures longer. Placing drinks in a separate cooler can help you avoid having to open and close the food cooler many times.
- ◇ When traveling, transport the cooler in the air-conditioned part of your car rather than in a hot trunk. This includes your groceries from the store, too.
- ◇ A packed lunch with perishable items like meat, cheese or mayonnaise must be kept cold. A clean, insulated lunch bag with an ice pack is an easy way to do this.

Kids Corner Still Needs Your Help!

Each volunteer will receive a **free single admission pass** into the fair. We ask that you be at least 12 years or older or be accompanied by an adult. The Kids Corner is open daily from 10:00am-9:00pm. For a list of available times and shifts please go to: <http://signup.com/login/entry/994378564041>

VANDERBURGH
county FAIR

Sign Up to be a Building Watcher!

Enclosed in this month's president's packet is a sign-up sheet for club members to volunteer to watch the Auditorium during the fair. Times are available Monday 3-5pm, Tuesday - Saturday, 9am-5pm.

Open Class

Don't forget you can come into the Extension Office, 8-4:30 and pre-register for your Home & Family Art Exhibits and purchase your season pass. Exhibit Tags will also be available. For more information, please see page 37 in your 2018 Vanderburgh County Fair Book.

Fair Entries

Any Vanderburgh County Extension Homemaker club can exhibit as a group in any of the classes (see fair book for categories). As in past, your club may enter three(3) entries under your club name. **Remember, with the new reporting system**, you will be self-reporting on individual members entering projects at the county fair. You will only get one checkmark for your club, no matter how many members entries.

Presidents Packet:

- Building Watcher Sign Up Sheet
- Fall District Meeting Registration Form
