

# Animal Fever

**Animal fever is a chance for anyone to show their creativity. You will start out with the ceramic giraffe bank pictured to the left and give it some personality through your decorations. You can also make him at home in a 9inX9inX9 in environment.**

**Banks are available at the office for \$5.00 each. This would make a great club activity. We have a limited number of banks. Animal Fever exhibits will be entered at county fair project check in times, but will not be part of open judging and do not need to be entered on [fairentry.com](http://fairentry.com).**

**THIS YEAR WE WILL HAVE AN ADULT DIVISION. There is also a short quiz about the animal.**

**For a complete list of rules see our website at: <https://extension.purdue.edu/Marion/pages/article.aspx?intItemID=24748>**
