Fine Arts and Crafts Show

CRAFTING.... for the craft booth at our own craft show is exciting! Hopefully some of you have been busy creating items to sell. We have one month to go! Baked goods also sell well, so get creative on your recipes! We are in need of small succulent plants for plant-

ers. If you have any to donate, please contact Linda Deig at 812-431-4154. We also have a work day on August 28, in the Banquet Hall, to make a designated item. We need old quilt pieces for this project. Please contact Linda before the 28th if you

can donate for this project and/or come to help on the work day any time between 1:30 p.m. - 5:30 p.m. Thank you.

Did you know? September was the seventh month of the original Roman calendar. This is where it got its name which means seventh. Later, when January and February were added to the calendar it became the ninth month.

WHAT'S HAPPENING

Public Relations Strategy

As part of our strategy to increase our community awareness, we are building a public relations team. This is a critical part of our strategic plan. We intend to increase our Facebook messaging, improve our website content, build relationships with media service vendors and develop marketing promotional materials. Bobby Conway, Director of Public Relations will lead the team. Katie Maurer, will serve as the Facebook administrator. But we need more hands to be successful. If you like to think outside the box and would be willing to share your creative skills, this is your opportunity to shine. Bobby can be reached at 812-473-3261 or eyeb2cool@yahoo.com. You can reach Katie at 812-483-9186 or maurer.katie@gmail.com

Women Walk the World

The Associated County Women of the World organization hosts the Women Walk the World event on April 29 of each year. We are looking for a few volunteers to serve on the committee that will organize the event. If you are interested, please contact Martha Alle at antmartha@aol.com or 812-760-5810.

Leisure Arts

In order to make our Leisure Arts lessons system more efficient, we have decided to make some changes. The sign up forms will still be sent out with the presidents packet. The president will send the sign up form along with checks to me instead of the extension office. If you are unable to sign up on the form, you may still send your reservation along with the check to me. Checks should be made out to Vanderburgh County Extension Homemakers. The registration deadline must be kept firm so that we can give the instructor the correct amount the night of the class. If a club member registers but cannot attend, the club may send a substitute to that lesson. Any questions, please call me, Terri McGuffin - Director of Educational Programming, at 812 499 7063.

My address is:
Terri McGuffin
15220 Petersburg Road
Evansville, IN 47725
Thank you.

Be Part of the Membership Team

Our goal for the year is to increase membership by 25 people. Alohona Jackson, Director of Membership, will lead the team that develops a plan to improve our membership recruitment and services. The team will be working with our new Public Relations committee. If you would like to be part of the membership team, please contact Alohona at 812-568-6398 or alohona@blisllc.com.

"A Look Through the Past"

I would like for each club to send baby pictures of their members to me, with their name, birth month and club name. Get to know the Vanderburgh County IEHA, then and now. Check out Scribbles, starting in November, 2018, there will be pictures for you to try and identify. The following month will tell who the previous month's future homemakers were. I hope you like this idea. It will let us share things and learn more about each other. Please send photo's to me before Thursday, September 20th by email eyeb2cool@yahoo.com or mail to: Bobby Conway

Evansville, IN 47714

ODE to Posture
Good posture is an asset
Which very few possess;
Sad to relate, the favored ones
Seem to grow less.

We see the folks around us
All slumped down in a heap,
And the way that people navigate
Is enough to make you weep.

Some elevate their shoulders,
Some hollow in their backs,
Some stiffen up their muscles.
And some just plain relax.

He one who walks with grace and poise
Is a spectacle to rare,
That even down on gay Broadway
The people turn to stare.

If you would cut a figure
In business, sport or school
Just mind the Posture precepts,
Obey the posture rule.

Don't thrust your head out turtlewise;
Don't hunch your shoulders so;
Don't sag, and drag yourself around;
No style to that, you know.

Get uplift in your bearing,
And strength and spring and vim;
No matter what your worries,
To slouch won't alter them.

Just square your shoulders to the world,
You're not the sort to quit,
"It isn't the load that breaks us down,
It's the way we carry it."

VOLUNTEER OPPORTUNITY!!

St. Paul's UCC on Michigan St. is looking for a volunteer that could teach knitting to the kids and teens involved in their Open Gym ministry. The Open Gym ministry is designed to give children and youth a place to be after school. A place to learn new skills, a place to build relationships, and a place to have a hot snack. They are ideally looking for someone available from 4-5pm on Wednesdays (during the school year), though Open Gym is open Tuesday, Wednesday, Thursday from 3-5pm, and another time could be arranged if needed. Supplies can be provided through the Open Gym programming fund. If you would be interested in this opportunity, please contact Kim Armstrong, Director of Youth and Outreach at St. Paul's at karmstrong@stpaulsuccevanville.org or 812-425-1522.
