

“Global Gateway Experience” Application

Indiana 4-H Youth Development

April 11-15, 2019

Applications due to County Extension Office: November 1, 2018

Indiana 4-H Youth Development is organizing a trip to the Heifer Ranch in Perryville, Arkansas, April 11-15, 2019. During this trip, youth and adults will gain first-hand experience regarding world hunger issues. Included is an overnight simulation where participants will learn how those in limited-resource communities live. Upon returning home, participants will implement an action plan to help raise awareness of hunger issues in local communities. More information about Heifer Ranch is available at: <http://www.heifer.org/about-heifer/index.html>.

We have limited space on this trip, so each interested person is asked to complete and return this application to the **YOUR County** Extension Office by November 1, 2018. Those selected will have a \$185 registration fee per person. Farm Credit Mid-America and Indiana 4-H are covering the chartered bus transportation to and from Arkansas and additional expenses related to the trip. Additional details about this experience will be provided to those who are selected to attend.

To help us select those who will be representing **YOUR** County 4-H on this experience, please answer the following questions.

1. What do you hope to gain from participating in the Global Gateway Experience?

2. Why is the topic of world hunger important to you?

3. How will you share the information you learn with your local community?
