

Senior Year Scholarship

Available to 4-H members in their senior year of high school

Club Scholarship

Available to 4-H members entering Purdue University majoring in the College of Agriculture or select majors in the College of Health and Human Sciences

Purdue Horticulture & Landscape Architecture Scholarship

Available to a 4-H member majoring in horticulture or landscape architecture at Purdue University and studied plant science in 4-H.

Accomplishment Scholarship

Available to 4-H members in grades 10-12 of high school and the year immediately following high school graduation. The purpose of the 4-H Accomplishment Scholarship is to recognize youth who have excelled in life skills development through their 4-H activities and involvement.

Categories: Animal Science—Meat and Milk Production; Animal Science—Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food and Nutrition Science; Leadership Development; and Plant and Environmental Science. Three additional categories are reserved for applicants demonstrating life skills development in more than one of the previously listed categories. Those are Premier Achievement, Premier Citizenship, and Premier Leadership.

Eligibility: Applicants must be in grade 10, 11, 12, or their first year immediately following 4-H enrollment eligibility at the time applications are due. While an applicant does not have to be a current 4-H member, they must demonstrate multiple years of involvement in Indiana's 4-H Youth Development Program.

Youth who have previously been awarded a \$1,000 accomplishment scholarship are only eligible to compete in the Premier Achievement, Premier Citizenship, and Premier Leadership categories. Youth who have previously been awarded a \$2,000 scholarship are no longer eligible to compete in any category.

Awards: A minimum of thirty \$1,000 scholarships will be awarded to youth based on their demonstration of life skills development in these eight categories: Animal Science—Meat and Milk Production; Animal Science—Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food, and Nutrition Science; Leadership Development; and Plant and Environmental Science.

A minimum of one \$2,000 scholarship, and a silver tray, will be awarded in each of these categories: Premier Achievement; Premier Citizenship; and Premier Leadership.

Additional scholarships may be awarded depending on sponsorship availability. The number of scholarships awarded in each category may be adjusted to meet special criteria of a particular sponsor.
