

January 2, 2019

Dear Junior Leaders,

Happy New Year! I want to wish all of you much success and positive growth in 2019. I am very thankful that you are making 4-H and Junior Leaders part of your busy life!

Let's have a Lock-In and get better acquainted with our fellow club members! **January 11th (this is a FRIDAY) is the date for the Lock-In at the 4-H Building on the fairgrounds. We will start at 7:00 p.m. with a brief meeting and the event will end at 12:00 midnight.** There will be games, food, fun lessons, Minute-To-Win-It, crafts and a practice round of "You Be the Judge". Dress in casual, comfortable clothing.

What to bring:

1. **Board games**, card games, group games (like Pictionary, Apples to Apples, etc.) Be sure to label your games with your name so nothing gets lost or confused.
2. **Supplies to donate to the Humane Society.** Those include: bleach, towels, blankets, paper towels, brooms, dustpans, gift cards to Rural King or PetSmart, dog and cat food (dry or canned), dog treats, cat litter (non-clumping), stainless steel water/food dishes, catnip, peanut butter, Kong toys, cat trees or scratching posts, cat beds, large and extra-large dog beds, top-loading cat carriers and travel cages for large dogs. Let's start the New Year right and help the homeless animals and the people who care for them.
3. Your signed **permission form.** If you are leaving before midnight, you must verify who is transporting you and at what time you will be leaving. Otherwise, everyone will stay until midnight.
4. Your completed **4-H Health Form** for 2019.
5. Any **snacks** you would like to bring. Pizza and drinks will be provided by the Junior Leaders club.

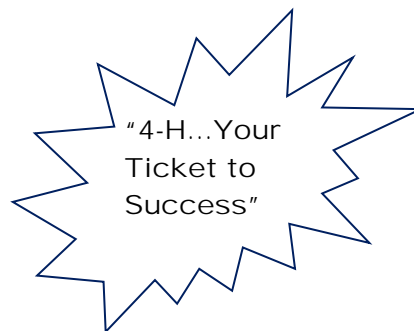

Looking forward to a fun evening with you on January 11th. Your permission and health forms will serve as your ticket to the event. (There is NO meeting on January 14th, by the way). See you then!

Sincerely,

Rena Sheldon
