Project Description:

Documenting your memories takes place many ways. Scrapbook albums can be a traditional, personally designed scrapbook album, a book-bound album designed using an online service, or a scrapbook designed using a software program.

Levels:

<u>Beginner</u>	Grades 3-5
<u>Intermediate</u>	Grades 6-8
<u>Advanced</u>	Grades 9-12

Project Guidelines:

Whichever design is your choice, please keep the following in mind:

- Each scrapbook album must have ten (10) completed pages for judging.
- Each scrapbook album that will be exhibited must have an exhibit tag (attached with a string or ribbon) with the 4-H member's name, club, and grade on it.
- The attached exhibit tag will also indicate the page numbers to be judged. If not listed, pages one to ten (1-10) will be judged. Different pages are judged each year.
- Page numbers do not have to be written on the album pages.
- Incomplete pages are not eligible for judging and are not counted towards the ten (10) page total.
- Use a variety of cropping techniques and page layouts to add interest and creativity.
- Use chronology within your journal-writing and the placement of your photos.
- Examples of memorabilia which may be used include: Holiday cards, school achievements or certificates, concert tickets, and event programs.
- Photos and memorabilia do not have to be on each page; They may be on separate pages.
- Journal-writing is a must- without it, your photos and memorabilia will be less meaningful.
