

CONSUMER CLOTHING PACKET PROJECT/NOTEBOOK REQUIREMENTS

Beginner: The Beginner division of this project is for 4-Hers in grades 3, 4, 5. Each year you will add a section to your notebook about the garments that you have purchased and the activities that you have completed. New record sheets will be given to you each year that you are in the project, but you will receive only one project manual.

Exhibit Requirements: (See detailed list inside the front cover of your manual)

1. Complete at least one activity from each group in the manual. Write your results/answers in a notebook. Label each activity. (40%)
2. Purchase 1 or 2 garments. (30%)
3. Model your purchase for the "Consumer Clothing" judge during pre-fair judging. (30%)
4. Optional: Model your purchases in the 4-H Fashion Revue.

Notebook: Decorate a three ring binder any way you would like. The notebook must contain:

1. A title page including:
 - Your name, address, and grade
 - Project name and division (Beginner)
2. Consumer Clothing Record of Purchases.
3. Garment Information. Use a separate sheet for each of the garments that you have purchased for this project.
4. Consumer Clothing Summary. Answer each of the questions completely. This is the opportunity to explain to the judge what you did in this project and why, as well as what you learned.
5. Complete at least one activity from each group in the manual. Using your own paper, describe what you did for each activity, and the results or findings. Write about each on a separate page. Label by group number and letter as they are in the manual. (For example, Activity Group 1-A) Each year you will select other activities from each group to report on.
6. A photograph of you wearing your garments you will exhibit.

Please leave these pages in your notebook. Next year, you will add pages and build a record of your accomplishments in this project. Please put the most recent year completed in the front of the notebook.

The "Consumer Clothing" Record Sheet (4-H 751) goes in your green folder.
