

4-H Leadership

2019 NEW PROJECT

TERMS AND CONDITIONS

Leadership is an important skill to have at school, at home, at work or anywhere. Leaders can be anyone from elected officials, like club officers or the President of the United States, to your friend who helps you make good decisions. To be a good leader, you have to know the skills you have, work to make them better and use them to help guide other people. The important thing to remember is that leaders are always growing. This 4-H project can help you develop yourself and your leadership skills. Some of the skills you can learn and activities you can do this year are listed below. Check your favorites. Then, work with your 4-H leaders and parents to make a 4-H project plan for what you want to do and learn this year. Posters must be displayed horizontally, sized 22" x 28", mounted on a firm backing (foam-core board or other), and covered in clear plastic or other transparent material. Refer to 4-H Poster Guidelines.
