

April 17, 2019

Dear 4-H Dairy Goat Members,

**4-H GOAT I. D.  
Wednesday, May 8, 2019  
6:00 p.m. – 8:00 p.m.**

All Goat Projects (Dairy, Meat, and Pygmy Goats) will use <https://in.4honline.com> to complete Goat Identification this year by May 15. Enclosed is an instruction sheet to help walk you through the process. If you need assistance, the Extension Office will have computers set up for the public to use.

**DAIRY GOAT WETHERS**

Dairy Goat Wethers must attend the 4-H Goat ID on May 8 from 6-8 p.m. to be eartagged and retinal scanned. Enclosed you will find an Indiana 4-H Goat Enrollment Worksheet for you to fill out at the ID with your tag information and then use to complete the online enrollment by May 15. All Dairy Goat Wethers to be shown at county or state fair must be brought to the ID day for identification purposes.

**DAIRY GOAT DOES**

Dairy Goat Does do NOT need to attend ID day, however, they must be identified by their tattoo number and registration number and complete the on-line 4-H Goat Enrollment Form by May 15, 2019. Does can attend the ID day to be tattooed if needed.

**Traffic Directions for Goat ID Day:**

Traffic directions for Goat identification: You will enter the 4-H Fairgrounds from Clover Road, the north-south road that runs east of the Exhibition Center (toward Wal-Mart). Follow this road as it dead ends toward Wal-Mart. Turn right on the gravel drive that runs south of the Tractor Pull Strip. Turn right at the next road (just past the Tractor Pull Strip) and then take the next left to head toward the south end of the Swine Barn. (See attached map). This traffic pattern will allow us to form a line without having to cross Pleasant Street. Anyone entering from Pleasant Street on the west side of the sheep barn will be redirected back to Clover Road.

**I have sheep and goats! Can I bring them both on the same day?**

Yes, one of the sheep ID Days is on May 8, 2019. We will have two retinal scanners that day. So if you have both sheep and goats you may choose which line you would like to start in. You will need to go through both lines. We will NOT be scanning goats on the Sheep ID day Saturday May 11, 2019.

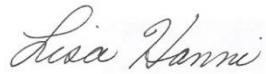

**Youth for the Quality Care of Animals (YQCA):** 4-H'ers planning to exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry and rabbits **MUST BE CERTIFIED** through YQCA. This is an annual program that can be completed via online modules or in-person trainings. See enclosed flyer for more information.

**Note:** Pure Bred Registration papers must be presented at check-in prior to unloading at the fair. The Board of Animal Health (BOAH) is not requiring participants to have animal health forms for the county and state fair. Animals will be physically inspected prior to entering the barn and may be rejected or removed due to health issues at any time during the Fair.

If you have any questions, please contact Kathleen Bohde or Lisa Hanni at the Extension Office at 317-776-0854 or Project Superintendent, Laura Phillips at 317-902-3245.

**(over please)**

Sincerely,

Lisa Hanni
