

April 17, 2019

Dear 4-H Swine Member,

4-H Swine ID enrollment is completed online at <https://in.4honline.com>. Please see attached instructions. Each 4-H Swine Member must complete a 4-H Swine ID enrollment form online by May 15. There are computers set up in the Extension Office if you need assistance. **If this online 4-H Swine ID enrollment form is not completed by May 15, you will NOT be allowed to exhibit your pigs at the 2019 Hamilton County 4-H Fair.**

2019 Hamilton County 4-H Fair

- **4-H Fair swine check in is Wednesday, July 17 from 7:00 a.m.-Noon.**
- **4-H'ers may show 5 pigs and one (1) market litter. Therefore, a 4-H'er could have a maximum of 9 total pigs.**
- Direct hogs will be loaded out Monday morning, July 22.
- "Swine Exhibition Show" on Saturday, July 20 at 7:00 p.m. See 4-H Fairbook for details.
- Under the guidance of the Indiana State Board of Animal Health, all 4-H swine exhibited at the Hamilton County 4-H Fair are required to have a **2 dose swine influenza vaccination by July 1**. 4-H swine members will be required to complete a **signed and notarized affidavit** listing the dates their pigs were vaccinated. 4-H'ers must present this affidavit when unloading their pigs at the fair. See attached affidavit.
- Listed below are veterinarians in the area that have agreed to offer a 3-way vaccine for influenza, mycoplasma and erysipelothrix to 4-H'ers at \$3.00 per dose if self-administered. Farm visits will be at their regular fees. One dose is 2cc. The vaccine can be purchased in advance and needs to be **refrigerated**.

Youth for the Quality Care of Animals (YQCA): 4-H'ers planning to exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry and rabbits **MUST BE CERTIFIED** through YQCA. This is an annual program that can be completed via online modules or in-person trainings. See enclosed flyer for more information.

This is similar to and replaces YPQA Plus (Youth Pork Quality Assurance) certification that has been required for swine members for more than 20 years. If your name is on the list below your YPQA certification has not yet expired, we are still honoring those certifications. You are "grandfathered" in! You do not have to take YQCA training this year. **This also covers your requirement if you show other livestock species.**

(over please)

4-H Swine Members Who Do NOT need to participate in the YQCA program this year.

Katelyn Anderson
Eli Biddle
Nicholas Burk
Tony Crane
Isabelle Hardebeck
Emma Higginbotham

Addison Humburg
Jesse Kolb
Jenna Peterson
Brady Piel
Grady Piel
Katie Pitts

Randie Pitts
Colton Rowland
Skylar Sandman
Chaney Smith
Blake Webel
Cole Webel
Bridget Williams

If your name is **not** on the list above you will need to complete the YQCA training by July 1.

If you have any questions about your 4-H swine enrollment or the YQCA Program, please contact Lisa Hanni at the Extension Office at 317-776-0854.

Note: Purebred registration papers for both barrows and gilts must be presented at check-in prior to unloading. The Board of Animal Health (BOAH) is not requiring participants to have animal health forms for the county and state fair. Animals will be physically inspected prior to entering the barn and may be rejected or removed due to health issues at any time during the Fair.

Indiana State Fair Exhibition: See attached sheet for State Fair information.

Sincerely,

Lisa Hanni
