OLD BUSINESS

County Demonstration Contest: Went well-Karen Casey. Barb DeWell reported – the timers did not use the stopwatches and someone's cell phone died during completion, in the 8th grade room. A judge & timer were discussing the demonstrations and the kids could hear. Concern for the special needs members and the demonstration contest. Denise Sitarz commented: it took a long time to get results.

NEW BUSINESS

Fair Schedule- was discussed. Conversation included thoughts on the rodeo at the fair, getting workers, time constraints, number of class participants, meeting the needs of the older members, meeting the needs of the minis, meeting the needs of parents and grandparents. Scheduling conflicts, dropping classes, exposure to new classes or events for the members, getting sponsors for the classes and program. Moving Hunter Hack & Cross rail classes to after the mini events and adding Reining after the completion of trail.

Tiffany Mckeague moved to accept the fair schedule as adjusted at the meeting. Seconded by Emily Beneturski. Motion carried.

Kevin Solomon moved to add Flag Race, Catalog Race, Egg & Spoon with Amy Ingebretsen bringing the eggs and spoons. Seconded by Sarah Pancini. Motion carried.

Demonstration Make-Up- May 30th please call as soon as know you are participating. We need to get judges. Minis & H&P members may use this as a make-up. All other members are invited to participate in the contest with a new or your current H&P demo. There will be a public speaking division also.
