4-H LIVESTOCK CLUB MEMBER AGREEMENT

DATE: _____

This agreement between _____ and
(name of parent/guardian, etc.)

(name of 4-H'er)

governs the ownership responsibilities, costs and profits resulting from their partnership.

The animals involved in this agreement are listed on the previous page.

The following terms covering costs, responsibilities, newborn animals, net profits, termination of the partnership, etc. are:

PROFIT & LOSS STATEMENT

(If final figures are not available for market animals, estimate final weight and selling price. For breeding animals, estimate their value at the end of the project.)

Income Date	Items Sold	Quantity	Weight	Amount Received
1) Totals				

FEED EXPENSES

You should begin recording feed expenses as soon as you obtain your animal. Make entries each time you purchase feed or record entries on another sheet and enter in this record once a month. (Add another page for feed record if you need it.) Put a value on all feed, even if it is home grown.

Date	Item	Quantity	Price per lb., bag or bale	Total cost
2) Totals
