Answers can be found in the OSU Rabbit Resource Handbook – 4-H 228R.

Handling Your Rabbit –True or False.

_____ You should wear short sleeves when handling your rabbit so the toe nails won't get caught.

_____ You can lift or carry your rabbit by the ears.

_____ Do not hold the rabbit firmly against your body. It will get too hot.

_____ Put the rabbit back into the hutch head first.

_____ You can injure your rabbit if you take it from the cage wrong.

_____ Don't tuck their head under your arm. They like to see where they are going.

_____ Remove a rabbit head first from the hutch.

_____ You need to watch to make sure you do not catch the rabbit's toe or toenails on the wire.

_____ You do not have to be gentle with your rabbit. They like a rough time.
