4-H Rabbit WORKSHEETS

Grade 4-A

Name: _____

4-H Club: _____

Match the vocabulary word to the definition:

Wry Tail

A pet name for a rabbit.

Nest Box

The permanent identification mark of a rabbit which is placed in the left ear. The A.R.B.A. number goes in the right ear.

Bunny

An abnormally bent, curled, or twisted tail. Permanently held to one side. A disqualification for a rabbit.

Tattoo

A box inside or attached outside the hutch or cage where the kits are born. Normally placed with the doe 28 days after she is bred.

Circle the nutrients that are good for rabbits from the list below:

Carbohydrates

Fats

Hamburger

Minerals

Pizza

Protein

Soda Pop

Across

3. Large breed with frosty white fur with the exception of the eyebands which are deep black.
5. This medium breed originated in Germany. The white coat has black and bright golden-orange markings.
6. Large breed with good meat and fur qualities. The varieties are golden and lynx.
7. Small breed from Holland is used for exhibition, pets, and in the laboratory.
8. Its coat color is cinnamon or rust with a uniform gray thickening across the back.

Down

1. This small breed has an unknown origin although the name would let you think they are from Poland.
2. This small breed has a full-arch profile. The tan color is uniform and unbroken from the chin, over the chest and belly, and to the tail.
3. Medium breed that originated in France. Japanese varieties are orange or golden fawn.
4. This large breed originated in the United States. The fur should be fine, silky and very dense to the touch.
