

## Morgan County 4-H Cattle Barn Project

The Morgan County 4-H Beef and Dairy projects need your help for a Barn Improvement Project. Our barn has not had gates or new flooring since the barn was built in the 1970's. We are in need of new improvements. We are asking for donations to purchase gates. Each gate costs approximately \$300.00 and we will need 60+ gates. Our youth work hard and put time, effort and money into their Beef and Dairy projects. Your help can make these upgrades possible. All donors' names will be listed on a donor sign in the front of the barn for fairgoers to see and to recognize the donors' contributions. Please consider donating, and your generosity would be greatly appreciated!

Thank you for supporting the Morgan County 4-H Cattle Barn Project!
