At our **May 13th** meeting at **7:00 p.m.** in the **Wilber Kendall Room** on the fairgrounds, we will start with a brief ice breaker, have a business meeting and then enjoy the World Famous Junior Leaders HOW-TO NIGHT! We have a few good demos ready to roll. If you have a demonstration you would like to give (around 5 minutes in length, please contact me at 765 342-1010 and let's discuss it! So far, it looks like we will have food with some of our demos! Yum!

Committees that will meet before this meeting are:

I look forward to seeing you May 13th. Be sure you do something special for your mom on Mothers Day this Sunday! If you have not yet enrolled your animals in 4-H, you need to get moooving on that before May 15th.
