

JUNE 7TH **ENTOMOLOGY** **WORKSHOP**

Join us in an insect collecting trip!

Tabby will be leading an entomology workshop that focuses on collection and will touch on pinning techniques. The group will be meeting at Deming Park at from 1-3pm. They will go on a hunt for insects, using best practices throughout the park. Later that evening at 10pm through 11pm, Tabby will be set up with a black light, for those who want to see black light collecting techniques. Parents are encouraged to come if youth want to join in on black light trapping! Please bring your own collecting equipment if you have it. To get signed up, please contact Tabby at the Extension Office.
