

# Where to find projects in FairEntry

**Dubois County 4-H FairEntry** works in cooperation with 4-H Online, so you will use the same username and password as 4-H Online. Families will use FairEntry to pre-enter projects for the fair. This program will be used to create project labels, check in sheets, judging sheets, show programs, media reports, ribbon placings, award placings and more.

**Please enter projects for the Dubois County 4-H Fair by June 30.** For projects by grade level you will use the grade you were enrolled in as of January 1. The 4-H projects will be listed under a specific Department. The following is a guide to help you find projects in FairEntry.
