

April 23, 2019

Dear 4-H Members and Families:

All 4-H members (including Mini 4-H members) are **REQUIRED** to enter ALL of their projects (animal and non-animal or static projects) into Fairentry between **May 3 and May 24, 2019** in order to participate in the Jennings County Fair. The information you put into Fairentry is used to create animal show bills, project check-in reports, record youth exhibit results and register eligible youth for State Fair Exhibit Hall Project entries.

WHAT YOU NEED TO DO:

GO TO THIS WEBSITE: <http://jenningscounty.fairentry.com> and log in with your 4HOnline log in information. You will then follow the step-by-step instructions found in this mailing to add your projects to Fairentry.

Jennings County's Fairentry site will open on May 3. It is our hope that every 4-H youth will pre-register each of their project exhibits on Fairentry by May 24 for ALL animal and non-animal projects.

HELPFUL TIPS:

- 1) Do not use the Internet Explorer web browser. The two recommended browsers are either Firefox or Google Chrome.
- 2) You will pre-register each project one at a time. Do not hit the submit button to submit project information **UNTIL** you are sure all is correct; as there is no editing after the submit button is activated.
- 3) Even if you are not sure which animal you are going to exhibit (especially for rabbits and poultry), please go ahead and select an animal or animals for each class. We can make changes at animal check-in.
- 4) When entering projects, members will be required to select their 4-H Club name for each project.
- 5) Also, the project grade level is based on the grade the member was in as of January 1, 2019.
- 6) If you need assistance or want to use the tablets in the office to complete your Fairentry, please call the office and make an appointment to get help! Please do not wait until the last day, May 24, to seek help with this process.

If you have questions, please contact the Extension Office at 812-352-3033.

Sincerely,

Melessa Wiesehan

Animal Projects

Animal projects are listed under the species' name or Department Name.

Animal classes are usually in alphabetical order by the breed name followed by the class name.

Crossbred classes are always listed at the bottom of the list after all the breed classes.

Mini Showmanship is listed with the other species' showmanship classes.

If you have trouble adding your entry to one of the classes, or cannot locate the correct Department, Division or Class, please contact the Purdue Extension Jennings County Office at 812-352-3033.

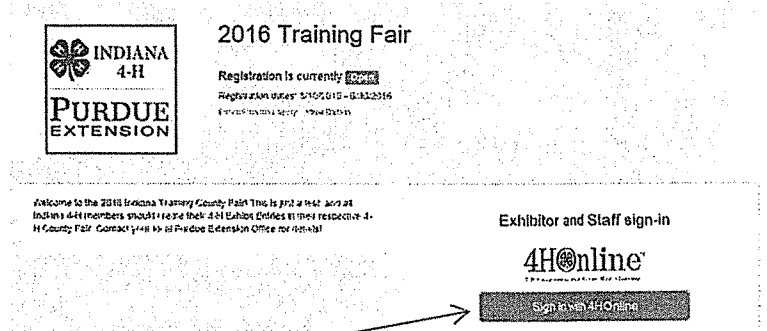

You may also make an appointment to use one of the tablets in the office to complete your Fairentry.

**Fairentry is open
