The leaders need to call the Extension Office by June 22 with the names of the adults, name of the club, which time slot and in which building they are going to watch. The list of names will be posted in each building and at the 4-H fair office.

All available people are requested to come from 11:00 a.m. – 1:00 p.m. to clean up, put away displays, etc. The more volunteers the quicker we will be done! Please use the passes you receive for your workers who don't get a pass from the fair board so they can come and enjoy the fair during the week as their reward for volunteering on Sunday

Each Shift requires 2 people in the Small Projects Building.

**NOTE: Please work together to fill these time slots!**
