

Hello 4-H Families!

I have an exciting opportunity to share with you from the Vincennes University Aviation Department in Indianapolis! 4-H members can be part of a 4-H Aviation club one Saturday each month and learn all about flight in a hands-on setting. So if you have an interest in flight, airplanes, air traffic control, etc. you should get involved at the link below:

The club starts in September, so be sure to register soon!
