

Happy Fall Everyone,

As summer comes to an end, I want to thank everyone who helped make the fair a huge success. I have heard multiple compliments on how the fair went, so thank you for all your help! Plans are already beginning for the 2020 Pulaski County 4-H & Community Fair!

Congratulations to all of the Pulaski County 4-H members who competed at the Indiana State Fair with building projects and livestock projects! Livestock and non-livestock results for the Indiana State Fair are posted online. Projects are back in the office so please pick those up as soon as possible!

With fall beginning, please make sure to check the calendars for important dates, events, and trainings taking place. There are lots of great ideas for new ways to be involved in 4-H so stay tuned for more information by checking our Facebook page (Purdue Extension-Pulaski County), Weekly Update, and the website for more information. Feel free to call the Extension Office with any questions you have about upcoming activities.

On October 1st, 4-H Online will open for the 2020 4-H program year. The State 4-H enrollment fee will remain the same at \$15 per child for grades 3-12 and free for youth grades K- 2. As always, the Extension Office is willing to assist you in enrolling your child in 4-H Online.

We are excited for the 2020 4-H program year and look forward to working together for the future as we continue to grow 4-H in Pulaski County!

Sincerely,

Samantha Williams

State Fair Projects for Pick- Up

State Fair projects are now available at the office. Please stop by in a timely manner to collect your projects.

4-H Club Achievement Programs

Please let the office know when your club will be holding their achievement program so we can add it to our county calendar. Achievement boxes will be ready in October! Club leaders need to start scheduling their 2019-2020 club meetings.

Mums Pick-Up

Mum orders can be picked up September 19 from 4-6 pm at the highway garage. Any assistance unloading and sorting orders will be greatly appreciated.

School Open House

Stop by our booth at the Eastern Pulaski Elementary School Open House October 24 from 5-6 pm to see the different types of projects 4-H has to offer! We will be there to answer any questions you might have about the Pulaski County 4-H program.

Trick or Treat So Others Can Eat

The 4-H Jr. Leaders & Sunshine Society's "Trick or Treat So Others Can Eat" canned food drive will be **October 22nd** from 5-6:30 pm in the town of Winamac. Donations may be dropped off at the Extension Office before October 22nd, or have your porch light on between 5-6:30 pm on the 22nd so that the members know you have food ready for them to pick up.

Indiana 4-H LEADERSHIP SUMMIT

Saturday, November 16, 2019

9:00 a.m.- 4:45 p.m.

502 East Event Centre, Carmel

This is a one-day opportunity for 4-H members, volunteers, and staff. The event will focus on 4-H leadership education and resources and will energize participants to pursue excellence in their local communities.

Highlights:

- Breakout session opportunities focused on leadership
- IN 4-H Foundation Accomplishment Scholarship Luncheon
- IN 4-H Volunteer Awards of Excellence presentations
- 4-H Tenured Volunteer Recognition
- General session focused on inclusivity & welcoming all youth to Indiana 4-H

4-H Club Fundraising Opportunities

The Pulaski County Extension Homemakers are having their Annual Make and Take Craft Workshop on Saturday, November 9th. It will be held at the Church of the Heartland this year (New location) from 9 AM to noon. They would welcome more booths to make it bigger and better! Would your 4-H club like to have a small fundraiser? You can bring a simple craft to make and charge a small fee. The admission is free, there is no “booth rental”, so anything you make goes directly to your club. Extension Homemakers want to promote youth and this is an excellent way to do so. If it interests you, please call into the office with questions or to register your booth.

Learn the Basics of Cricut

Another workshop using our cricut machines is planned for October 22, 2019 from 6-8 PM at the Pulaski Co. Hwy Garage. You will learn about the machine and make a fall craft to take home. It might even work as a 4-H Craft or Open Class craft entry!!! There will be a minimal cost to cover material expenses. Call the Extension Office (574-946-3412) to get on list ASAP!
