

October holds so many exciting opportunities!

See below for more information about the multiple events offered to youth next month! Please share with your friends that are not in 4-H! Many of the programs are open to the public.

National 4-H Week is October 6th through 12th!
 National 4-H Youth Science Day is October 9th!

Are you a teacher, director, volunteer, or leader looking for activities to do with students? 4-H can help!

We are looking for groups of youth who want to learn more about computer science! Our team of teen leaders has a goal to reach 100 youth with the National Youth Science Day Experiment during the month of October. We can present to schools, after-school programs, community events, or club meetings. The experiment is designed for youth in grades 3-8.

Contact bohde@purdue.edu if you are want to schedule a time for us to come present to a group.

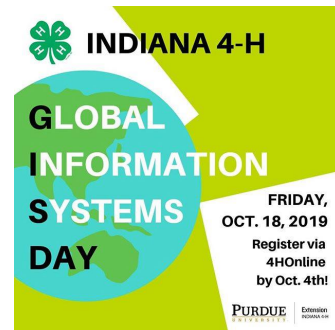

Halloween Party

4-H Junior Leaders are hosting the annual Halloween Party. Youth ages 10 & under are welcome with a chaperone.
