## 4-H enrollment for the 2020 program year is now open!

It's time to re-enroll in 4-H at [in.4honline.com](http://in.4honline.com)! All of your contact information is already saved in the system so you won't need to re-enter this information. Please look over your contact information and update any changes. The clubs you were involved in and the projects you were enrolled in during the 2019 year will already be listed. All you'll need to do is add/change any projects or clubs that are not listed. The attached guide will assist you as you re-enroll in 4-H.

4-H members can choose as many projects they'd like and have a program fee of \$20. Mini 4-H members may choose up to a total of 3 projects and have a program fee of \$5.

### Visit <http://in.4honline.com> to re-enroll!
